

GCPS Progress Report April, 2016

- I transcribed the Regina vs. Ah Ho Larceny case and sent it to Ole to be added to the GCPS website.
- George put a great article about our AGM in the NewsLeader. It included a photo from the meeting. Thank you George!!
- I found an application from F.P. Cook for 160 acres of land (some belonged to a Chinese man – maybe Frenchy?) in 1888. There was quite a dispute between Cook and W.T. Thompson. I did a cut and paste of the document and submitted it to Ole for the GCPS website.
- Qeepr has put an article online about the Granite Creek Cemetery. It is based on an interview they did with me some time ago. You can find the article here: <http://www.qeepr.com/blog/ghost-towns-granite-creek-cemetery/#prettyPhoto> I gave Ole a link to this for the website. I also have a printed copy for you to look at if you would like.
