

GCPS Progress Report

June, 2016

- I revised the Cemetery Bylaws as was discussed at the last meeting. To speed things up, I faxed them to Mr. Williams on the 19th and then mailed the original documents to him on May, 24. I have a copy of everything that was sent for Jon to keep in his records. I have emailed Mr. Williams a couple of times since and have not had any response. Bob tried calling and Mr. Williams is on vacation until June 20.
- Bob and I updated our Cemetery book and put up a new index at the Cemetery. I also updated the Find A Grave website.
- My daughter-in-law and grandsons helped me remove two fire pits at the town site.
